# Silicon Labs Announces First Quarter 2016 Results

### Record Revenue in IoT and Infrastructure Drives Solid Beat

Over the past 20 years, we've established ourselves as a leading innovator of silicon, software and solutions for a more connected world. The launch of our multiprotocol Wireless Gecko portfolio enables game-changing functionality for our customers and will drive our growth and success in the broad IoT market.

AUSTIN, Texas--(<u>BUSINESS WIRE</u>)--<u>Silicon Labs</u> (NASDAQ: SLAB), a leading provider of silicon, software and solutions for a smarter, more connected world, today reported financial results for its first quarter ended April 2, 2016. Revenue in the first quarter slightly exceeded the high end of guidance at \$162.0 million, up from \$160.1 million in the fourth quarter. First quarter non-GAAP earnings per share (EPS) exceeded the high end of guidance at \$0.51.

### **First Quarter Financial Highlights**

- IoT revenue exceeded expectations and established a new record, increasing to \$70.9 million, or 5.5% sequentially
- Infrastructure revenue established a new record, increasing to \$31.6 million, or 3.3% sequentially
- Broadcast revenue declined to \$38.4 million, or 3.1% sequentially
- Access revenue declined to \$21.1 million, or 6.7% sequentially

### On a GAAP basis:

- Gross margin was 59.0%
- R&D expenses were \$49.0 million
- SG&A expenses were \$39.6 million
- Operating income as a percentage of revenue was 4.2%
- Diluted earnings per share were \$0.14

On a non-GAAP basis (results exclude the impact of stock compensation, amortization of acquired intangible assets and certain other items as set forth in the reconciliation tables below):

- Gross margin was 59.6%
- R&D expenses were \$38.5 million
- SG&A expenses were \$33.0 million
- Operating income as a percentage of revenue was 15.5%
- Diluted earnings per share were \$0.51

### **Product Highlights**

- Introduced the pre-certified <u>BGM113 Blue Gecko Bluetooth® module</u> offering an optimal combination of small footprint, ease of use and low-energy wireless technology.
- Launched the <u>Wizard Gecko WGM110 Wi-Fi® module</u> for applications where strong RF performance, low power consumption and fast time to market are key requirements.
- Introduced the multiprotocol <u>Wireless Gecko SoC portfolio</u> supporting ZigBee®, Thread, Bluetooth low energy and proprietary protocols for IoT applications.
- Launched the <u>Si827x isolated gate driver family</u> providing the industry's highest noise immunity for power supplies, solar inverters, and electric and hybrid electric vehicles.
- Announced the high-performance jitter-attenuating <u>Si534xH clock family</u> that reduces the cost and complexity of high-speed 100G/400G coherent optical networking applications.

### **Business Outlook**

Including \$5 million in patent sale revenue, the company expects revenue in the second quarter to be in the range of \$168 million to \$173 million. Second quarter diluted earnings per share are expected to be between \$0.23 and \$0.29 on a GAAP basis, and between \$0.61 and \$0.67 on a non-GAAP basis, which reflects an expected \$0.09 after-tax benefit from the patent sale transaction.

"Strong top line performance, fueled by record revenue in IoT and Infrastructure, combined with good gross margin results and favorable opex, drove a solid beat in first quarter non-GAAP EPS," said Tyson Tuttle, CEO of Silicon Labs. "Over the past 20 years, we've established ourselves as a leading innovator of silicon, software and solutions for a more connected world. The launch of our multiprotocol Wireless Gecko portfolio enables game-changing functionality for our customers and will drive our growth and success in the broad IoT market."

### **Webcast and Conference Call**

A conference call discussing the quarterly results will follow this press release at 7:30 a.m. Central time. An audio webcast will be available on Silicon Labs' website (<a href="www.silabs.com">www.silabs.com</a>) under <a href="Investor Relations">Investor Relations</a>. A replay will be available after the call at the same website listed above or by calling 1 (855) 859-2056 or (404) 537-3406 (international) and entering conference ID 83470730. The replay will be available through May 27, 2016.

### **About Silicon Labs**

Silicon Labs (NASDAQ: SLAB) is a leading provider of silicon, software and solutions for the Internet of Things, Infrastructure, industrial automation, consumer and automotive markets. We solve the electronics industry's toughest problems, providing customers with significant advantages in performance, energy savings, connectivity and design simplicity. Backed by our world-class engineering teams with strong software and mixed-signal design expertise, Silicon Labs empowers developers with the tools and technologies they need to advance quickly and easily from initial idea to final product. <a href="https://www.silabs.com">www.silabs.com</a>

### **Forward-Looking Statements**

This press release contains forward-looking statements based on Silicon Labs' current expectations. The words "believe," "estimate," "expect," "intend," "anticipate," "plan," "project," "will" and similar phrases as they relate to Silicon Labs are intended to identify such forward-looking statements. These forward-looking statements reflect the current views and assumptions of Silicon Labs and are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. Among the factors that could cause actual results to differ materially from those in the forward-looking statements are the following: risks that Silicon Labs may not be able to maintain its historical growth; guarterly fluctuations in revenues and operating results; difficulties developing new products that achieve market acceptance; dependence on a limited number of products and customers; intellectual property litigation risks; risks associated with acquisitions and divestitures; product liability risks; difficulties managing our distributors, manufacturers and subcontractors; inventory-related risks; difficulties managing international activities; risks that Silicon Labs may not be able to manage strains associated with its growth; credit risks associated with our accounts receivable; dependence on key personnel; stock price volatility; geographic concentration of manufacturers, assemblers, test service providers and customers in Asia that subjects Silicon Labs' business and results of operations to risks of natural disasters, epidemics, war and political unrest; debt-related risks; capital-raising risks; the competitive and cyclical nature of the semiconductor industry; average selling prices of products may decrease significantly and rapidly; information technology risks; cyber-attacks against our products and our networks; conflict mineral risks and other factors that are detailed in the SEC filings of Silicon Laboratories Inc. Silicon Labs disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. References in this press release to Silicon Labs shall mean Silicon Laboratories Inc.
