

Silicon Labs Reports Fourth Quarter and Full Year 2022 Results

IoT leader doubles revenue in two years to more than \$1 billion

AUSTIN, Texas, Feb. 1, 2023 /PRNewswire/ -- [Silicon Labs](#) (NASDAQ: SLAB), a leader in secure, intelligent wireless technology for a more connected world, reported financial results for the fourth quarter, which ended December 31, 2022. Revenue exceeded the top end of the guidance range at \$257 million, up 23% year-on-year. Silicon Labs saw full-year revenue growth across both its Industrial & Commercial and Home & Life product groups.

"We are incredibly proud of our team's execution in doubling our organic revenue in two years to more than \$1 billion annually, while at the same time increasing our design wins by 120%," said Matt Johnson, President and Chief Executive Officer at Silicon Labs. "The strength of our opportunity funnel and design win pipeline gives us confidence in our ability to continue expanding our leadership position in IoT while navigating the current economic uncertainty."

Fourth Quarter Financial Highlights

- Revenue was \$257 million, up 23% year-on-year
- Industrial & Commercial revenue for the quarter was \$157 million, up 36% year-on-year
- Home & Life revenue for the quarter was \$100 million, up 8% year-on-year
- Gross margin of 61% was favorable due to strong product, pricing, and customer mix in the quarter

Results on a GAAP basis:

- GAAP gross margin was 61%
- GAAP R&D expenses were \$87 million
- GAAP SG&A expenses were \$47 million
- GAAP operating income as a percentage of revenue was 9%
- GAAP diluted earnings per share were \$0.76

Results on a non-GAAP basis, excluding the impact of stock compensation, amortization of acquired intangible assets, and certain other items as set forth in the below GAAP to Non-GAAP reconciliation tables were as follows:

- Non-GAAP gross margin was 61%
- Non-GAAP R&D expenses were \$70 million
- Non-GAAP SG&A expenses were \$39 million
- Non-GAAP operating income as a percentage of revenue was 19%
- Non-GAAP diluted earnings per share were \$1.31

Business Highlights

- The Connectivity Standards Alliance (CSA) announced the release of Matter 1.0, the application layer protocol developed specifically to address device interoperability within the smart home. Silicon Labs is the leading semiconductor company code contributor to Matter, and as of the end of 2022, claims 86% of Matter over Thread's industry certifications. Silicon Labs has become a one-stop resource for Matter devices, border routers, and bridges so developers can easily bridge Matter to other IoT development platforms like Wi-Fi, Zigbee, Thread, and Z-Wave while leveraging their experience with Silicon Labs' hardware and tools.
- Silicon Labs President and CEO Matt Johnson was elected Chair of the Semiconductor Industry Association (SIA) Board of Directors. SIA represents 99% of the U.S. semiconductor industry by revenue and nearly two-thirds of non-U.S. chip firms.
- Completed the buyback of \$200 million of the company's shares in the quarter, resulting in the retirement of 1.6 million shares and bringing the total share repurchase activity since the announcement of the divestiture in April 2021 to more than \$2 billion, retiring more than 25% of the then outstanding shares.

Business Outlook

The company expects first-quarter revenue to be between \$242 to \$252 million. The company also estimates the following results:

On a GAAP basis:

- GAAP gross margin of approximately 63%

- GAAP operating expenses of approximately \$139 million
- GAAP effective tax rate of approximately 31%
- GAAP diluted earnings per share between \$0.36 to \$0.46

On a non-GAAP basis, excluding the impact of stock compensation, amortization of acquired intangible assets, and certain other items as set forth in the reconciliation tables:

- Non-GAAP gross margin of approximately 63%
- Non-GAAP operating expenses of approximately \$111 million
- Non-GAAP effective tax rate of approximately 23%
- Non-GAAP diluted earnings per share between \$1.07 to \$1.17

Earnings Webcast and Conference Call

Silicon Labs will host an earnings conference call to discuss the quarterly results and answer questions at 7:30 am CDT today. An audio webcast will be available on Silicon Labs' website (www.silabs.com) under [Investor Relations](#). In addition, the company will post an audio recording of the event at silabs.com/investors and make a replay available through March 1, 2023, online or by calling (877) 344-7529 (US) or (412) 317-0088 (international) and entering access code 2355666.

About Silicon Labs

Silicon Labs (NASDAQ: SLAB) is a leader in secure, intelligent wireless technology for a more connected world. Our integrated hardware and software platform, intuitive development tools, thriving ecosystem, and robust support make us an ideal long-term partner in building advanced industrial, commercial, home and life applications. We make it easy for developers to solve complex wireless challenges throughout the product lifecycle and get to market quickly with innovative solutions that transform industries, grow economies, and improve lives. silabs.com

Forward-Looking Statements

This press release contains forward-looking statements based on Silicon Labs' current expectations. The words "believe", "estimate", "expect", "intend", "anticipate", "plan", "project", "will", and similar phrases as they relate to Silicon Labs are intended to identify such forward-looking statements. These forward-looking statements reflect the current views and assumptions of Silicon Labs and are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. Among the factors that could cause actual results to differ materially from those in the forward-looking statements are the following: the competitive and cyclical nature of the semiconductor industry; the challenging macroeconomic environment; geographic concentration of manufacturers, assemblers, test service providers and customers in Asia that subjects Silicon Labs' business and results of operations to risks of natural disasters, epidemics or pandemics, war and political unrest; risks that demand and the supply chain may be adversely affected by military conflict (including between Russia and Ukraine), terrorism, sanctions or other geopolitical events globally (including conflict between Taiwan and China); risks that Silicon Labs may not be able to maintain its historical growth; quarterly fluctuations in revenues and operating results; difficulties developing new products that achieve market acceptance; risks associated with international activities (including trade barriers, particularly with respect to China); intellectual property litigation risks; risks associated with acquisitions and divestitures; product liability risks; difficulties managing and/or obtaining sufficient supply from Silicon Labs' distributors, manufacturers and subcontractors; dependence on a limited number of products; absence of long-term commitments from customers; inventory-related risks; difficulties managing international activities; risks that Silicon Labs may not be able to manage strains associated with its growth; credit risks associated with its accounts receivable; dependence on key personnel; stock price volatility the impact of COVID-19 on the U.S. and global economy; debt-related risks; capital-raising risks; the timing and scope of share repurchases and/or dividends; average selling prices of products may decrease significantly and rapidly; information technology risks; cyber-attacks against Silicon Labs' products and its networks and other factors that are detailed in the SEC filings of Silicon Laboratories Inc. Silicon Labs disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise. References in this press release to Silicon Labs shall mean Silicon Laboratories Inc.

Non-GAAP Financial Measurements

In addition to the GAAP results provided throughout this document, Silicon Labs has provided non-GAAP financial measurements on a basis excluding non-cash and other charges and benefits. Details of these excluded items are presented in the tables below, which reconcile the GAAP results to non-GAAP financial measurements.

The non-GAAP financial measurements do not replace the presentation of Silicon Labs' GAAP financial results. These measurements provide supplemental information to assist management and investors in analyzing Silicon Labs' financial position and results of operations. Silicon Labs has chosen to provide this information to investors to enable them to perform meaningful comparisons of past, present, and future operating results and as a means to emphasize the results of core on-going operations.
